CIC 635 §2; 655) with the formula of profession as given at article 2,18 of your Statute, with which I officially promise before God and before you brethren that I will strive to live all the more fully in loving Obedience, Poverty, and Chastity for the 1st year – of temporary vows. for the 2nd year – of temporary vows. for the 3nd year – of temporary vows. do so in order to grow all the more in Evangelical and Ecclesial docility to the Will of God in regards to my calling, with all spiritual wisdom and intelligence (cf.
